

GOVERNMENT COLLEGE (AUTONOMOUS): RAJAHMUNDRY
DEPARTMENT OF POLITICAL SCIENCE
Board of Studies for the Academic Year 2025-26
I, II, III, IV, V & VI Semesters
MINUTES OF THE MEETING

The Board of Studies of **Political Science** Department is convened on **15/09/ 2025** at 10.00 AM in the Department under the Chairmanship of Dr. BABJEE POTHU RAJU, Lecture-in-Charge of the Department.

The following resolutions are taken after detailed deliberations

Discussion: As there are BA honors with single Major course for **POLITICAL SCIENCE** for the admitted batch from 2023-24 as per NEP 2020. It is necessary to frame syllabus for the batch 2025-26. Hence University nominee suggested that to continue with new pattern of Single major honors to the upcoming batch along with 2023-24 batches and new patron to 25-26. Thus, it is inevitable to frame syllabus keeping in view of outgoing, existing and upcoming batch of **POLITICAL SCIENCE** students. Hence a detail discussion on courses and papers by the members suggested to adopt 15 courses for semesters I to VI. Internship for Semester V and VI. The Board members also suggested to adopt modules on cross cutting issues like Intellectual Property Rights without credits to create awareness among the young generation.

RESOLUTION

A meeting of the Board of Studies in the Department of Political Science was held on 15th September 2025 under the Chairmanship of Dr. Babjee Pothuraju, Head of the Department. The meeting was attended by all faculty members, the university nominee, subject experts, the industry Nominee and Student Nominee. The primary agenda was to revise the undergraduate and postgraduate syllabi in alignment with the National Education Policy (NEP) 2020 and to incorporate recent academic and industry developments.

The university nominee and subject experts suggested enriching the curriculum with deeper content on the Indian Constitution, Political Institutions, and International Relations to ensure conceptual clarity and academic rigor. The Board recommended strengthening experiential learning through case studies, simulations, and field-based assignments to enhance analytical and practical competencies. The industry nominee emphasized the need to focus on improving students' practical knowledge and application-oriented learning by integrating modules such as political data analysis, policy tools, and real-world problem-solving.

Minor modifications were approved in the internal assessment system, with an emphasis on continuous evaluation through presentations, project work, and reflective assignments. The revised syllabus is scheduled for implementation from the academic year 2025-26, subject to the approval of the Academic Council. All members actively participated and provided constructive suggestions for curriculum enhancement.
