The Head of the Department and the Faculty of Physics and Electronics discussed various issues and resolved the following:

- As the classes for first year students are going to start for phase joined students from 12 August, 2024 ,it is resolved to prepare an action plan for SIP(Student Induction Programme)/Deeksharambh from 12th August 2024 to 29th August 2024 so as to make them acquainted with college premises, rules and regulations ,activities of the department and also to bring out inherent talents of the students , etc.
- As per the instructions from Principal (conversation with Zimbabwe faculty), it is resolved to incorporate the Renewable Energy Management System syllabus as per the requirements of international students of Zimbabwe so that there is a possibility of student and faculty exchange for maximum period of 1 year , if the action plan works.
- At first the faculty discussed about implementation of APSCHE tentative prescribed pattern for PG newly joined students. But due to some practical problems in this academic year ,it is resolved to continue the similar pattern as previous year in this academic year also as with few modification in the syllabus. The APSCHE prescribed pattern is to be followed after specific guidelines obtained in the next academic year.
