National service scheme Government College autonomous Rajahmundry has conducted an awareness program on world drug day.

It is marked on 26th June every year to strengthen action and cooperation in achieving a world free of drug abuse

The aim of this year's campaign is to raise awareness about the importance of treating people who use drugs with respect and empathy, providing evidence based voluntary service for all, offering alternatives to punishment, prioritizing prevention and leading with a compassion

The campaign also aims to combat stigma and discrimination against people who use drugs by promoting language and attitudes that are respectful and non-judgmental

We are committed to achieving health security and justice for all by tackling some threats regarding drug consumption and promoting peace and sustainable well being of deterrents to them.

In this regard NSS units 1 to 5 in our college has conducted awareness programme to the students. The chief guest doctor MVN Murthy has created awareness on effects of drug consumption on both mental and Physical health.

And also conducted poster presentation competitions and rally on world drug day

In this program teaching non-teaching students are participated.
